BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

On the recommendation of the Dy: Amildar of French Rocks that the present Peishkar of the Melkote temple may be retired, as, owing to his old age, he has not been efficiently discharging his duties and consequently the temple servants

2. The points urged for the retirement of the present Peishkar are :—

1) Incapacity due to old age

2) Inefficient management and consequent laxity -

3 The points in favour of the appointment of Venkataramanayya are :-

1). That when he was Peishkar of the Melkote temple for some time, there was no laxity

2) That it is not necessary to have a Sri-Vaishnava gentleman for the place ; but that on the contrary it is preferable to have a Smartha or Madhva gentleman -

3) That Venkataramanayya is preferable to others, who may have no knowledge of the customs, maryadas etc prevailing in the Melkote temple, though they may be otherwise better qualified -

4) As regards utilizing the services of

4 In case of Venkataramanayya not being spared for temple work, the Sub. Dn offr requests that some other equally competent person may be apptd.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA

GENERAL AND REVENUE SECRETARIAT.

Dated BANGALORE, 13th August 1917.

My dear Mr. Matthan,

With reference to your official letter C.No.51 dated 30th July 1917 proposing Venkataramanaiya as Peshkar of Melkote in place of Vidvan Venkatachar to be retired, I quite agree with you in thinking that his retirement is already overdue and that as things stand at present your nominee Venkataramaiya will do well as Peshkar of the temple. There are, however, two other Peshkars in your District who are also past usefulness and who may also be retired in the interests of the institutions concerned. I mean Ramaswami Sastry, Peshkar of Seringapatam and S. Rama Rao, Peshkar of Chamarajanagar. In addition, I have been thinking for some time past that both at Nanjangud and Melkote we must have a better type of men.

Mysore 9-9-1917

still in the prime of life and with ambition to rise in service and it seems to me that it will be in the interests of the institution if an official in active service and specially selected either from the 1st grade Sheikdars or Taluk Head Gumastas is appointed to the place for 5 years at a time on a starting pay of Rs.50/- in grade Rs.50-2-60 a month exclusive of pension contribution. The men would command sufficient respect and prestige to control the heterogenous elements of these temples and would be kept straight for fear of reversion to his old place in the general service.

If you approve of the suggestion, I shall submit the proposal for the orders of Government. Provision can easily be found for the increased expenditure in the revision. In that case Venkataramaniya can well be kept on as Peshkar of Seringapatam and the present Peshkar of Nanjangud may be transferred on his present pay to Chamarajanagar temple.

Yours sincerely,

OFFICE OF THE DEPUTY COMMISSIONER,
MYSORE DISTRICT.

DATED, MYSORE. 17th August 1917

Dear Mr. Aravamudu Iyengar,

I am in receipt of your D.O. letter No.62 of the 14th instant. I quite agree that not only the Teshildar of Melkote but also those of Seringapatam and Chamrajnagar are past useful work and should be replaced by younger and more efficient men. I also fully agree that both for Nanjangud and Melkote we must have a better class of men with a higher salary. I did not make the suggestion myself only because I thought that the subject would come up in connection with the enquiry into the condition of Muzrai Institutions, the fixing of scales etc., which is just about to be commenced. However, there is perhaps no reason to wait for 6 months for sending up such a proposal. The scale of pay proposed by you viz. Rs.50 rising to Rs.60 by annual increments of Rs.2 exclusive of pension contribution is quite suitable, and would attract the right kind of men and

and I shall be glad if you will obtain early sanction of Government to this proposal. If this is sanctioned Mr. Venkataramaniah mentioned by me can be appointed Peshkar at Serin apatam and the present Peshkar of Nojangud may probably be transferred to Chamarajanagar.

Yours sincerely,

Dear Mr. Aravamudu Iyengar,

I regret to say that I have just received a report of the death of Vidwan Venkatachar, Peshkar of the Melkote temples.

You will recollect that I had already suggested that a competent person should be appointed as Peshkar to these temples. Will you kindly obtain early orders of Government in the matter?

You will understand that the Peshkar's place cannot remain indefinitely vacant.

NOTE—Contn sheet

N O T E.

Subject:-- Improvement of the position of temple Peshkars in the State.

There are in all five such Peshkars in charge of the important temples at Nanjangud, Melkote, Chamarajanagar and Seringapatam in the Mysore District and the temple at Kalsa in the Kadur District. Their pay and prospects are not uniform the emoluments being fixed on personal considerations. No standard of qualifications are now insisted upon and very often retired men with still some years of service in them are appointed to the places

2. The present question arose out of the proposal of the Deputy Commissioner of Mysore to remove Vidvan Venkatachar, a retired Inspector of Police from the Peshkarship of Melkote and to appoint in his stead one Venkataramanaiya, Head Gumasta of Seringapatam. As I felt that the premier institutions of Nanjangud and Melkote with their varied interests and complicated affairs required a higher type of men for their proper management, I consulted the Deputy

Commissioner whether carefully selected officials in active service holding positions of the standing of Taluk Sheristadars and whose services may be lent to the temples for a fixed term of years will not prove more satisfactory than the present type of men.

3. The Deputy Commissioner is in complete accord with the proposal and agrees with me that a scale of pay fixed at Rs.50-2/1-60 exclusive of pension contribution will attract the right kind of men. Since then the Deputy Commissioner intimates that Vidvan Venkatachar, the Peshkar of Melkote has passed away and requests that early sanction of Government may be obtained to the scheme.

4. The present opportunity may also be availed of to replace the men now in charge of the temples at Seringapatam and Chamarajanagar who are long past their sixty years and capacity for useful work. In their place younger men in active service may be appointed on a pay of Rs.30-1-35 which is the same as the pay of a Taluk Head Gumasta. The present Peshkar at Nanjangud who is still a young man getting this pay may be sent to Chamarajanagar and Venkataramanaiya. the Head Gumasta of Seringapatam who is considered to be a capable official may be placed in charge of the temple at Seringapatam. I understand

that the latter is willing to exchange for Muzrai Service on the same pay.

5. The actual additional cost can easily be met from the funds of the institutions concerned and will be provided for in the revision now on hand.

6. After the scheme is sanctioned, proposals for filling up the vacancies at Nanjangud and Melkote will be called for from the Deputy Commissioner. The President of the Kalale Temple separately

It is hoped that the scheme will make it possible to recruit a better type of men. In the case of Kanyakumari, Melkote and S. patan Peishkars who will have charge of more than one institution, their pay will have to be distributed over the institutions and this will be worked up and submitted separately. The temples at Kalasa and Chamarajnagar are richly enough to bear paying the extra cost.

Subject:—

Proposals for the recruitment to and revision of the scale of pay of the Poshkars in the important temples of the State.

Poshkars on a pay ranging from Rs.25/- to Rs.35/- are at present appointed to manage the important temples at the following five places, viz, Nanjangud, Melkote, Seringapatam and Chamarajanagar in the Mysore District and Kalasa in the Kadur District. There is at present no rule or uniformity in the recruitment to these offices and the pay varies according to the persons so appointed.

The Muzrai Superintendent has submitted for the orders of Government, in consultation with the Deputy Commissioner of Mysore, certain proposals which are calculated to place these offices on a proper footing. He proposes that in future, recruitment should be from men in active service whose services should be loaned for a fixed period or so long as they continue to render efficient service, that the offices should be placed in two classes, the first consisting of the Poshkars of the temples at Nanjangud and Melkote, the rest being placed in the 2nd class and that the pay of the Poshkar of the 1st class should be fixed at Rs.50-2/1-60 and that of the 2nd class at Rs.30-1/1-35 exclusive of the pension and leave contribution that may be due under the rules.

The scheme is well considered and has also been

Submitted to the Deputy Commissioner.

The undersigned has recently inquired into the affairs of the Melkote temple & found that there was great laxity in the management due chiefly to the Peshkar being new on account of which he is incapable of efficiently managing the affairs.

It is quite necessary in the opinion of the undersigned that this Peshkar

should be circulated, received and be competent person appointed. It was, moreover, necessary, as the Pershikan Shastri was a Srivaishnava Brahman, on the other hand it was [illegible] that the Dyanidhi was a Srivaishnava Brahman and a non Srivaishnava Brahman may be appointed.

The undersigned therefore, that one Venkatarami Ayya was for some time Poojari of this Melkote Temple & the management of the affairs was not [illegible]. The said Venkata Ramanayya is stated to be a [illegible]. Ramayya is more [illegible] of this [illegible] than one [illegible].

The undersigned would recommend him for the Poojaship in preference to others who may have no knowledge of the customs managing the proceedings in the Melkote Temple. Unless he is otherwise [illegible] than Venkatarama Ramanayya. above referred to. The Pershikari
